Major Athletic and Student Activity Trip Eligibility

Please Initial:

_____ **As per the revised Major Trip Guidelines, all students will be checked for eligibility in compliance with the PIAA Constitution and By-Laws for High School Athletic Eligibility. This includes athletic and non-athletic trips.**

Trip Plans and Educational Focus

Purpose of Trip (What do you hope to gain by taking this trip? How will this help your students and what will they learn/gain)?

Attach an itinerary of what will be done on this trip. **Include departure times and return times and the schedule of events in which the students/organization will be involved.** A complete listing of how the time is to be spent while away from school must be included. If there is "free time", it may be listed as such. This early in the process it is understood that these may change, but provide as much detail as possible.

How will the success of the trip be evaluated? (This should come out of and be directly related to the purpose for going. Example: As a result of this trip my students will be able to.... (or) As a result of this trip the students will gain ...)

Additional Logistical Information

How is this trip being funded? (Who is covering the cost for the student)?

If students are paying all or part of the cost, how are they funding this trip?

If another organization is funding this trip, please provide the name and describe the extent to which they are covering this cost.

If this is a major trip that requires an overnight stay, where will the students be staying?

How are you going to travel? (bus (district or charter), van (district or charter), plane, train, private car).

If approved by the Board, are there any reasons, short of an emergency that you would choose to cancel this trip? (please explain)

Board Presentation Requirement

Pending Board approval, you will be notified of the requirement to provide a report following your scheduled trip(s) to share the benefits of the experience.

Please initial below that you agree to the requirement.
