

Dear Compass Cyber Student,

Welcome to Cyber School. This form should be used as a reference to help you navigate the Compass Learning Odyssey program.

CLO Overview

1. Website: <http://clo.svsd.net>

Username :

Password:

School: SVC

2. **Dashboard** – courses with white circle around the picture indicates courses with updated content to work on
3. **Tool Kit** – provides any tools that may be used as a manipulative
4. **Portfolio** – shows you progress based on the activity name, subjects, date/time, score, and status. This allows you to monitor on a daily basis, weekly basis, and monthly basis
5. **Mail** - allows you to e-mail teacher through CLO with questions or concerns. Use “Message Center” tab to compose and check messages. Teacher’s name appears in the “To:” section in your message center. (If unsure how to ask for help, simply write “help” in the subject line and your teacher will assist you.)
6. **Log Out** – make sure you log out to ensure things are saved properly, don’t just “x” out of the program when finished
7. If you need any other help working on the program, please speak with your teacher or email them through Compass Learning Odyssey.

Thanks, and have a Great School Year!
