Where can I find that?

September 15, 2021

We're here to help. Let us introduce you to our updated resource section for counselors and students on PHEAA.org. Join us to learn how to easily locate financial aid related resources and tools for your students and families. Information about our PHEAA YouTube channel, publications and other free resources are available here. We are excited to introduce our recent website redesign to you!

Working with Homeless College Students in Pennsylvania

November 17, 2021

Pennsylvania administrators are encouraged to attend this webinar to learn about how to best support homeless youth. Topics include a review of McKinney-Vento, how to identify students, upcoming changes to federal aid for homeless students, college access and retention efforts, and additional resources to assist administrators in their work.

2022-23 FAFSA® Overview & Updates

October 20, 2021

This presentation provides a brief overview of the financial aid process, including the financial aid programs available from the Federal and PA State government. We will also take an in-depth look at the Free Application for Federal Student Aid (FAFSA®), the primary application that students must complete to be considered for most forms of financial aid.

Understanding Public Service Loan Forgiveness

December 15, 2021

Join us as we provide an overview of the Public Service Loan Forgiveness (PSLF) program. As the sole servicer for Public Service Loan Forgiveness, we will review the eligibility requirements and the application process. We will also discuss the PSLF Help Tool and Temporary Expanded Public Service Loan Forgiveness (TEPSLF).

Fostering Higher Education: Strategies for Student Success

Jan 19, 2022

Despite strong desires to attend college, students in foster care do not experience the same rates of enrollment and graduation as their peers. This webinar will introduce Pennsylvania professionals to the resources available to promote success in higher education and beyond. Best practices and strategies for working with students in foster care will be presented.

Career Transformation in the Trades

March 16, 2022

How has the perception and the reality of a career in the trades changed over the decades and what explosion of opportunities are we seeing in recent years? When working with young adults as well as non-traditional students, are they being exposed to the various avenues for a quality career with a sustainable future? Learn some of the top reasons to consider a skilled trade career as well as tips for individuals considering a career change into the trades.

There is no one size fits all.

The FAFSA® is Filed –What's next?

February 16, 2022

This session will provide a brief overview of what happens after a student files the Free Application for Federal Student Aid (FAFSA®). The session will include information on the financial aid notification letter, a review of a sample financial aid offer and what a student needs to think about once they receive the bill from their postsecondary school. We will discuss types of aid students can use in paying their bill and offer suggestions on how they can pay the remaining balance.

Let Others Pay! Tips on Searching for Scholarships

April 20, 2022

A scholarship could make all the difference for a student trying to pay for their postsecondary education. Scholarships are free money that help students accomplish college and career goals while avoiding a burdensome amount of student loan debt. This webinar provides resources and tips for applying for scholarships that you can share with your students.
