## Presented by PHEAA: “Advanced Planning for Financing Higher Education”

The thought of Higher Education costs can be overwhelming, however planning and identifying what you can do to help lessen those costs is an important step. It's never too early or too late to start understanding what those costs are and what is available to help maintain, plan and help you make affordable decisions. Join Dan Wray and Suzanne Sparrow of PHEAA's PA Forward Program in a one hour webinar to begin that process and become prepared.

## Presented by PHEAA: “Searching for Scholarships and Affording the Balance”

There are many ways to pay for education, and one important step is to search and apply for Scholarships. More free money equals less borrowing. This presentation will review the types of options available, along with tips on applying. It will also offer samples of fun scholarship options to get you started. We'll then review what to do about the balances that might be left over in order to make affordable higher education decisions. Join Suzanne Sparrow and Daniel Wray from Pennsylvania Higher Education Assistance Agency (PHEAA) for an hour of detailed information on this topic.
