Dear Chargers and Chargerettes:

I am writing to notify you that your class schedule can now be viewed in the student GRADEBOOK. Over the last several weeks, our high school guidance staff and administration has worked extremely hard to be sure you can view your class schedule for the upcoming school year well in advance. Be sure to log into your student GRADEBOOK and review your schedule as soon as possible. **On the next page, you will find THINGS TO LOOK FOR in your schedule. Be sure to let us know if something is MISSING from your schedule.**

Please note, most students will NOT see a class scheduled for the last period of the day (2:12 to 2:55 p.m.). Next school year, we will be utilizing last period as a Flexible Instruction period. Our goal is for the last period to be used as remediation and enrichment, career exploration, mentorship/advisory, and student activities. We will be working on the details of the last period over the summer.

If you would like to request a schedule change, please utilize the "Schedule Change Request form" located on our school district's website along with the revised listing of electives. Additionally, your child was sent the "Schedule Change Request Form" on his/her ANNOUNCEMENTS PAGE on Microsoft Office TEAMS.

Keep in mind, we will only grant requests to **ADD/DROP** courses. We will **NOT** grant a request to change the time of day you have a specific course, nor will we grant a request for a specific teacher. Requests for a schedule change must be submitted electronically, via the following link <https://forms.office.com/r/LWcZbePCgx> no later than Tuesday, May 28, 2024. If you have any questions or concerns, please reach out to one of the following individuals listed below:

- **School Counselor:** Mrs. Keri Warhola at keri.warhola@carbondalearea.org
