It is a time to reconnect with familiar faces and extend a heartfelt greeting to those joining our community for the first time. Whether you are a returning student, a new family, or a caring educator, your presence enriches our school district in countless ways.

This year, our commitment to excellence in education remains steadfast. We are dedicated to providing a safe, warm, and inclusive environment where every student can thrive academically, socially, and emotionally. Together with our talented faculty and staff, we are excited to introduce new programs and innovative teaching methods designed to enhance learning and ensure that our students are well-prepared for success in an ever-changing world.

As we embark on this new chapter together, I extend my sincere gratitude to our caring educators, supportive families, and active students. Your commitment to education and collaboration is what makes our school district *Carbondale Proud!*

Please do not hesitate to reach out to our administrative team if you have any questions, ideas, or concerns throughout the school year. Your input is invaluable as we work together to ensure a positive and meaningful educational experience for all.
