2024-2025 Federal-Title I. Parent, Family and Stakeholder Engagement Policy

September 3rd, 2024

Adoption and Implementation

During Back to School Night each year, all parents are given the opportunity to volunteer to be a part of the Parent/Guardian Title Committee. All Title I teachers inform their students' parents that this committee will meet to review the Family Engagement Policy and adjust the policy as needed throughout the school year. Parents/Stakeholders will be presented with the Family Engagement Policy during the Title I Back to School Night. All parents will be able to give their input to ensure that our school's Family Engagement Policy is as effective as possible.

Meetings

Meetings will occur on a continual basis throughout the school year. Meetings will be scheduled at various times to accommodate the schedules of all members. An annual meeting will be held within the first quarter of the school year. At this meeting:

- Parents will be informed of our school's participation as a Title I school.
- The rights and requirements for parents to be involved will be explained.
- All Title I Documents will be shared and reviewed

These meetings will provide all parents of Title I students with an opportunity to plan, review, and offer suggestions to improve the Title I program, including the Parent and Family Engagement Policy. Parents will be encouraged to request a meeting if needed to further engage the school in the continued development of the Title I program and continued student achievement of their child.
