

HOLLY W. SAYRE
Superintendent of Schools

September 13, 2024

Dear Charger Families,

Out of an abundance of caution, we closed school today, September 13, to allow for a comprehensive investigation to be completed. The Carbondale Police Department concluded the investigation and determined that all threats were not credible.

Due to the police determining that the threats were not credible, school activities will resume as planned this afternoon and this weekend.

Again, we are proud of the individuals who alerted adults to the situation and ask that you continue to partner with us in creating a safe environment for all.

Thank you for your continued support and understanding.

Sincerely,

A handwritten signature in blue ink that reads "Holly W. Sayre".
