SCHOOL PSYCHOLOGIST

Carbondale Area School District is seeking applicants for School Psychologist.

The primary role of the school psychologist is to lead the multidisciplinary evaluation process for students with academic and/or behavioral concerns. This may include a comprehensive formal assessment to determine whether diagnostic recommendations align with state and federal guidelines. Additionally, the psychologist provides recommendations to instructional staff to support and enhance a student's overall development.

Applicants must have a master's degree and established state certifications. Applicants must submit a letter of intent, resume, and all required clearances to Mrs. Holly Sayre, Superintendent of Schools, Carbondale Area School District, 101 Brooklyn Street, Carbondale, PA 18407. Applications will be accepted until position is filled.
