PRINCE

You're no stranger to the stage
 Since the age of two...
 Singing your ABC's
 And dancing all your moves.
 Then drama called you
 Into a new phase
 We saw you as Alice, Chava,
 Audrey & Grace.

Can't believe it's your last role here at CA
 We've been your biggest fans along the whole way.
 Who knows if someday to the stage you'll return
 But for now, take a bow and feel the spotlight burn!

GET IT EL!

WE LOVE YOU SO MUCH!

♥ your family

Madysen Usher

Role in Current Production: Mrs. Drake in Annie Jr.

Years Involved in Theatre: 3 years

Past Productions:

Fiddler on the roof – A Mama

Into the woods– Jack’s mom

Little shop of horrors– Mrs. Luce/ensemble

Favorite Memory in Theatre:

"My favorite memory has to be the school performance for little shop of horrors. The high school students were so supportive, and I loved their energy!"

Special Thanks:

"I would like to thank Mrs. Rasmus for always being there for me and encouraging me when even I doubted myself. I also want to extend my deepest gratitude to my best friend, Summer, who showed up for me in Little Shop of Horrors even though she wasn't cast. Many thanks are owed to another friend and true inspiration of mine, Mary. Thank you, Mary, for encouraging me to stay with theatre and reminding me of my talent. I wouldn't be on stage today without you. A huge thank you to my mom for never arguing with me when I spent hours on end at rehearsals and always providing snacks and rides for those in need. And I wouldn't have made it so far without my little brother Ayden, who continued to show up for his big sister even though he lives 900 miles away."

Plans After Graduation:

"I plan to attend Marywood University to study early childhood education and make an impact in the lives of students just like my teachers did for me."

Final Thoughts:

"Theatre has shown me nothing but respect and kindness in my three years of acting. It's challenged me and revealed many weaknesses but also enhanced so many strengths within myself. The people you meet in a theatre will be with you forever! These memories hold a special place in my heart and as I close the curtains on this act of my life, I'll hold these memories as inspiration to push through to Act 2! "

Summer Young

Role in Current Production:

Supporting Lead in Annie Jr.

Years Involved in Theatre: 2 years

Past Productions:

- Fiddler on the Roof Jr.- A Mama

Into the Woods Jr: Grandma and an Evil Step Sister

Favorite Memory in Theatre:

"My favorite memory in the Drama Club would have to be from Fiddler on the Roof Jr. The cast was incredible!! I loved working with all these wonderful people. They showed be so much kindness and helped me develop my passion for theatre. I don't think I would love it as much as I do without those people."

Special Thanks:

"I would like to thank Mrs.

Rasmus for believing in me, and picking me, and seeing some talent in me. I'm very grateful, because she also helped me develop a deep passion for this club and activity."

Plans After Graduation:

I plan to attend Temple University to study psychology, where I plan to pursue a career to be a psychologist.

Final Thoughts:

Theatre has taught me a variety of things. It has taught me how hard it actually is to put on a play. All the things behind it, both big and little. All the little parts that come apart to make the whole show. It taught me about teamwork, patience, commitment, and how to put on a good show. Thank you so much. For the opportunities it has given me."
